PLOT PLAN

Please include all setback distances from property boundaries, roads, streets and right of way, all wetlands and water bodies, any proposed or existing wells and septic systems. Include shore land setback and/or flood elevations if applicable. Show all construction including decks and porches.

Please use dotted lines for existing buildings and solid lines for all proposed construction. Show all existing and proposed buildings on your plan. Also, show driveways, septic systems, wells, utility poles, and accurately measured distances to abutting landowners well and septic systems. Include all dimensions of both previous and proposed construction. Please include distances from roads of abutting landowners so the appropriate 911 address can be issued.

Signature by the applicant indicates an awareness of the requirements of the Jonesport Land Use Ordinance, the Jonesport Shoreland Zoning Ordinance, the Floodplain Hazard Ordinance for the Town of Jonesport, and any other applicable State and Federal Regulations. A CONSTRUCTION SITE REVIEW BY THE JONESPORT CODE ENFORCEMENT OFFICER MUST BE OBTAINED BEFORE THE STRUCURE HEREBY PERMITTED IS STARTED.

BUILDING PERMITS EXPIRE ONE YEAR FROM DATE OF APPROVAL.

For those lands that fall within the Jonesport Shoreland Zoning area, signature on this application indicates that the applicant has read the current Shoreland Zoning Ordinance and agrees to comply with all its requirements if a permit is issued.

For new structures or substantial improvements within the Flood Hazard Area, an approved permit will allow construction up to the establishment of the lowest floor. At that point, the applicant must provide an elevation certificate establishing actual floor elevation. Upon satisfactory documentation to the local CEO, the construction may continue. The applicant understands and agrees that:

- 1. The permit applied for, if granted, is issued on the representations made herein;
- 2. That any permit issued may be revoked because of any breach of representation;
- That once a permit is revoked all work shall cease until the permit is reissued for a new permit is issued;
- 4. Any permit issued on this application will not grant any right or privilege to erect any structure or use any premises described for any purpose or in any manner prohibited by the ordinances, codes, or regulations of the Town of Jonesport;
- 5. The applicant hereby gives consent to CEO or designated Town Official to enter and inspect activity covered under the provisions of Federal, State, and Local Ordinances;
- 6. If issued, the permit will be posted in a conspicuous place on the premises in plain view and will expire if no work is commenced within 90 days of issuance (flood hazard only).

I hereby certify that all statements in, and the attachments to this application are a true description of the existing property and the proposed development project. Incomplete applications will not be processed.

All applications are subject to a 200.00^* CEO fee and the following additional building permit fees: (The square feet must include dimensions of <u>all</u> structures being built and rounded off to the nearest foot.)

0 - 200 sq ft = \$0.00 201 - 500 sq ft = \$50.00 501 - 1500 sq ft = \$100.00 1501 - 3500 sq ft = \$200.00 3501+ sq ft = \$400.00

*(A-2) Also, a Code Enforcement Office Inspection form must accompany each permit application. CEO fee of \$200.00 to be made payable to the Town of Jonesport, except for applications for structures under 200 square feet for which a fee of \$100.00 will be charged. The application will not be considered without the accompanied fee. Within 30 days of receiving an application, the Planning Board or Code Enforcement Officer shall notify the applicant that the application is complete or if specific additional material which is needed to make it complete. Application forms are available at the Town Office. Permits are not transferable. Existing permits expire upon transfer of ownership. (Amended: A-1 & A-2 on 3/12/1990, 3/10/2003 and A-2 on 3/12/2007)
