**SIGNATURE PAGE**

Signature by the applicant indicates an awareness of the requirements of the Jonesport Land Use Ordinance, the Jonesport Shoreland Zoning Ordinance, (and all other applicable ordinances), the Floodplain Hazard Ordinance for the Town of Jonesport, and any other applicable State and Federal Regulations. **A CONSTRUCTION SITE REVIEW BY THE JONESPORT CODE ENFORCEMENT OFFICER MUST BE OBTAINED BEFORE THE STRUCTURE HEREBY PERMITTED IS STARTED.**

**BUILDING PERMITS EXPIRE ONE YEAR FROM DATE OF APPROVAL  
BUILDING PERMITS ARE NOT TRANSFERABLE.  
EXISTING PERMITS EXPIRE UPON TRANSFER OF OWNERSHIP**

For those lands that fall within the Jonesport Shoreland Zoning area, signature of this application indicates the applicant has read the current Shoreland Zoning Ordinance and agrees to comply with all its requirements if a permit is issued.

For new structures or substantial improvements within the Flood Hazard Area, an approved permit will allow construction up to the establishment of the lowest floor. At that point, the applicant must provide an elevation certificate establishing the actual floor elevation. Upon satisfactory documentation to the local CEO, the construction may continue.

For all applications, the applicant understands and agrees that:

1. The permit applied for, if granted is issued on the representations made herein;
2. That any permit issued may be revoked because of any breach of representation;
3. That once a permit is revoked all work shall cease until the permit is reissued or a new permit is issued;
4. Any permit issued on this application will not grant any right or privilege to erect any structure or use any premises described for any purpose or in any manner prohibited by the ordinances, codes or regulations of the Town of Jonesport;
5. The applicant hereby gives consent to the CEO or designated Town Official to enter and inspect activity covered under the provisions of Federal, State and Local Ordinances;
6. If issued, the permit will be posted in a conspicuous place on the premises in plain view;
7. In Flood Hazard areas only the permit will expire if no work commenced within 90 days of issue.

I hereby certify that all statements in and the attachments to this application are true description of the existing property and the proposed development project.
